The Friars is a very tranquil place and it is important that we respect this.

If you are staying in one of the rooms please **do not park your motorcycle in the 'old quadrangle.'** This is a specific request from the Friars. There is plenty of parking space in the 'new quadrangle' or over in the main car park.

Please be thoughtful with whatever you do, especially early in the morning and late at night.

Children Well behaved children are always welcome at the West Kent Run! Please be aware that the site is open to the general public at all times. Parents please take care of safety & wellbeing of your offspring!.

Children must not be allowed to ride any motorcycles or other, powered, machines at any time or in any place throughout the weekend, except for entrants as below.

For entrants with children: **Parents/guardians of those entrants who are under 18 will need to sign the parental agreement form, available when signing-on.**

Flags Please feel free to bring a national flag to display on your bike. The spectating public along the route love to know where you are from.

Paperwork Please be sure that you have all relevant documentation. In particular that you're insurance covers you for every aspect of the weekend. This includes riding on the road and riding on-site at The Friars, where the public has access.

Insurance Note to cover the requirements of the current insurance policy, all parties taking part in the event, including the Gymkhana, should be clear that event insurance DOES NOT COVER any use of vehicles in the event which comes within the bounds of The Road Traffic Act. This means that anyone RIDING/DRIVING any vehicle either on the road or at the site is personally responsible for making sure their vehicle is insured for third party risks.

Camping on Site

Please note from 2020, no camping is permitted on the Wednesday, this follows a request from the Friar.

Anyone arriving before mid-day Thursday will be politely turned away.

Toilets and showers will be available. Please be very careful when moving about the field. Be especially careful in the dark, use a torch.

Fire extinguishers and/or water buckets will be placed around the site for use **in case of fire** – please be sure you know where they are – in case of emergency.

A skip will be on site for domestic rubbish, please use it but please remember domestic only – not car tyres etc!

Rooms at The Friars

Please note that room allocation is not made until June.

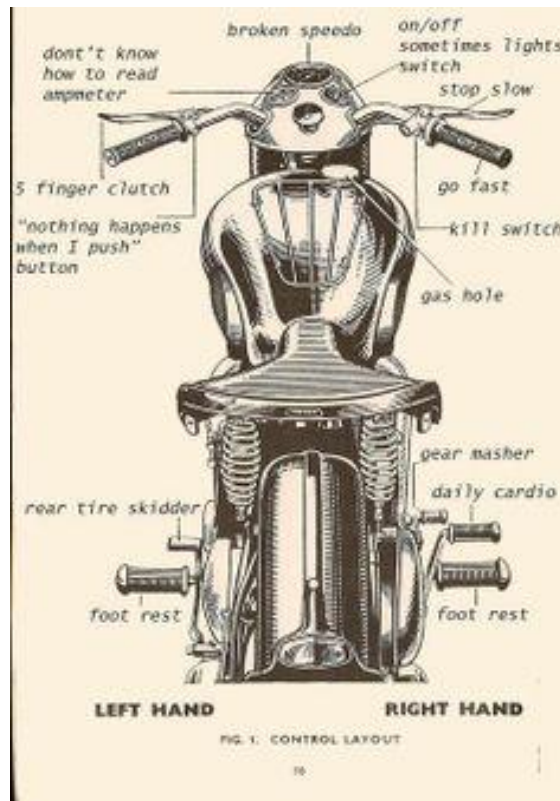

Up until 2019 this has not been a problem, however demand has been increasing. If a problem exists, advice will be given by email by 1st July, otherwise your booking is OK.

All rooms are STRICTLY non-smoking. All rooms are simply furnished and have a wash basin. Toilets, showers and baths are close by. Bed linen is provided and the beds are made up ready for you.

Please be sure to shut all doors (especially the external doors) securely so that strangers cannot get access to the accommodation. PLEASE DO NOT PARK MOTORCYCLES IN THE OPEN COURTYARD IN THE OLD BUILDINGS. You are welcome to park machines, sensibly, in the courtyard in the NEW buildings. Please do not park cars and trailers in **either** courtyard – move them to the main car-park once you have unpacked.

Check your Machine

Please ensure your machine is roadworthy prior to arriving.

Rooms Keys will be available from Keith Gibbins – who will be loitering near the signing on-desk at the above times.

Campers Follow the signs to the camping area and set up camp. Please try to be aware of the 'roadways' through the campsite and leave them clear for everyone to allow safe access. Water containers will be placed around the site in case of fire.

An evening social run is being organised on Thursday which departs at 18.30 and will return at 20.30 for a barbecue. The cost of the barbecue IS NOT included in the event entry fee. If you wish to eat, a modest charge will be made.

Saturday

THE INTERNATIONAL WEST KENT RUN

Signing-on begins at 08.00 please follow the marshal's instructions and the signs. Please park your bike on your start number in the start area before you go to sign-on.

Parental Agreement forms will be available at the start for under 18's.

When you Sign-On, the riders' envelope will contain route sheets, riding number and wrist band – no band, no food! Make sure you have the correct route sheets for the long or short route, whichever you requested. Pennants will be available at the start again this year.

Start will be from 09.00 and as usual the oldest machines start first with departure staggered by row Please be ready when the marshal's call you to leave but do not start your engine until advised. If it's hot it might be sensible to leave your helmet and jacket off until close to departure.

If you wish to ride with a friend who is departing after you, please wait to one side for them. Please do not wait on the road outside The Friars.

As usual route will be marked with arrows. Each arrow will have a number that corresponds to the illustrations on the route sheet. You are sure to meet horse's en-route. Please ride slowly past them. Be prepared to stop and turn off your engine if necessary.

At the coffee stop and the lunch stop please follow the marshal's instructions.

If you are amongst the first to arrive please take your refreshment promptly so as to ease the inevitable queue. If you arrive with the main body of riders - please be patient.

Take your time on the run there are no prizes for being 1st back!

**REMEMBER
DON'T RUN
OUT OF PETROL!!**
A petrol station is
in London Road (A20)
right at traffic lights
from Station Rd

Breakdown Service If you breakdown, stay with your machine and wait for the recovery vehicles. They will follow the entire route. **Do not leave the route** or they will not find you. Our recovery team will follow round the course after the last rider, so it may be some time before they get to you. Also if there are a lot of breakdowns they may have to return to Aylesford part way through the day to unload and then go out again.

This could cause considerable delay before they reach you. Please be patient – it is not their fault that your motorcycle broke down!

Alternatively if you have your own breakdown service (AA, RAC, Greenflag etc.,) you may prefer to use them.

Signing-off

Please sign-off on your return.

The Signing-Off table will be manned from 15.30 to 17.30.

Celebration Buffet

The evening celebration begins at 19.30. Food is available for those who paid and pre-booked. After please be quiet on the camping field as others may be sleeping including families with young children.

Sunday Public Open Day

The show field will open from 09.00. We ask that you display your machine to the public. **Please keep your riding number on your bike.**

The event officially finishes at 16.00 and we ask that you display your bike until then.

Remember all Sunday entry fees go to charity and your support is much appreciated.

Avenue of Clubs and Autojumlbers

Please stay within the marked boundaries.

It is particularly important not to block the paths or roadways.

Gymkhana Regulations

The event is part of the Sunday show and will comprise two sessions depending on the numbers entered. The first session will commence at 11.00 and the second at 13.30 in the main arena. (Times may vary.)

Eligibility

The event is open to any IWKR entrant riding a motorcycle or motorcycle sidecar over 30 years of age.
